FNTE Partnership With You

A Note From Our Founder

It's been 5 years since the dream became reality. Praise God! Nobel Prize winner, Winston Churchill once said: "We make a living by what we get, but we make a life by what we give." Our donors have really been life givers. On April 10th, they (including you) are partnering again at our Chico annual banquet dinner to witness the lasting difference made in the last 5 years and to take more families out of extreme poverty. I am so excited and looking forward to seeing you and sharing this great moment with you.

Alfred K. Koala

Blessings on you,
Alfred K. Koala

Our eyeglass clinic & VSP partnership have gone global

As you know, not only our founder Alfred Koala developed and serves FNTE full time, but he also works for VSP Global full time. His heart and service has inspired multitudes and resulted in thousands of people with eyeglasses from VSP. The GTS department where Alfred works at, raised money to provide FNTE's care packages to 5 more families.

Thanks to GTS and thanks to Dr. Larry and Debbie for their faithful service with FNTE.
